SUMMARY

Experienced Full Stack Developer with a proven track record of delivering high-quality, scalable web applications. Skilled in both frontend and backend development, with a strong ability to manage state and implement efficient deployment strategies. Proficient in collaborating with cross-functional teams and participating in agile development processes to ensure timely and successful project completion. Committed to continuous learning and professional growth, consistently contributing to innovative and impactful software solutions.

EXPERIENCE

Software Engineer, 11/2022 - Current

Triassic Solutions Private Limited - Trivandrum, IN

- Developed responsive web applications using React.js and Angular frameworks.
- Developed backend services utilizing Node.js and integrated with PostgreSQL and mongoDB databases.
- Utilized Redux Toolkit for efficient state management in React applications.
- Implemented Docker deployment strategies for application containerization, ensuring scalability and consistency across environments.
- Participated in agile development processes, ensuring timely delivery and quality assurance.
- Collaborated cross-functionally, achieving project goals and delivering quality software solutions.

PROJECTS

TIECHE - Facility Factor

Domain : Building Automation System

Developed the responsive UI for the website using Angular, converting designs for mobile, tablet, and desktop devices, and integrated APIs with error handling for seamless operation.

WHATIF Analyser

Domain : Financial Technology

Developed a responsive UI using React and Material-UI, built backend services with Node.js, managed data with PostgreSQL, and implemented state management with Redux Toolkit and Redux Thunk.

T-IoT Connect+

Domain : Industrial Automation

Developed a responsive UI using React and Material-UI, implemented state management with Redux Toolkit, and successfully deployed the application using Docker.

INTERESTS

Music, Yoga, Cooking , Movies

SKILLS

- JavaScript
- React.js
- Node.js
- Angular
- Redux Toolkit
- Redux Thunk
- Docker
- MongoDB
- PostgreSQL
- HTML
- CSS
- Java

EDUCATION AND TRAINING

Bachelor of Technology : Electronics And Communication Engineering, 06/2022

TKM College of Engineering - Kollam, Kerala
